## CASE History

F.Y.I. / for the record, a Separate Case in Juvenile DIV. 10 Attorney Marc Perry, my court appointed Attorney for this Juvenile court case, had visited me on 10/27/2017 and told me he would help Me by Taking the Job to be My Attorney on This Criminal Court Case (at the time Case No. 17CR02733 DIV. 13) and this Court appointed Attorney Marc Perry who is to this day Still My Juvenile Court Div. 10 Court appointed Attorney, had told me that not only will he help me by taking out his time to be my Criminal Court Appointed Attorney, he said he would come and visit me on Sun. / 10/29/2017 and talk to me for about 3 Hours (Attorney - Marc Perry Never Showed up).

— "A Man is only as Good as His Word". —

On 11/2/2017 at 8:45 AM Criminal Court DIV. 13 Court Hearing that morning was held by, a Judge Brenda Cameron who herself / Judge Brenda Cameron had asked Me / the Defendant where My Attorney was; "Where is Your Attorney?" asked Judge Brenda Cameron; I replied, "I don't know he said he was going to be here Today"; Now this Judge Brenda Cameron says Oh well that Attorney is a Conflict of interest So we're going to have to set another court Date and Issue You an Attorney.

So, I get real frustrated and sad; And so with a Full Sound mind and not in anyway out of Control or incompetent, But with Honor for my rights and <sup>For</sup> My Family, I see a News Camera At my 7, So I Turn over to face the News Crew's Camera And Speak up about all the Illegalities

→ And Unconstitutional Activity that I have <sup>been</sup> forced to be Encountered with here in Johnson County, Kansas and by/from the **AUTHORITIES** and **COURT'S** themselves] - (Check Court Records - (I'm Not going to go into to - much detail here)...

My first thought was WOW this Court appointed Attorney Marc Berry did not keep his word on coming to visit me Sunday/Oct/29/2017 and Now he again Does not keep his word on Showing up to be here for me as my Criminal Court appointed Attorney; And My Second thought was (Why would this - Judge Brenda Cameron have the nerve to ask me where my Attorney is and Yet She/Judge Brenda Cameron had Already knew the situation; then my third thought was why the heck would this Juvenile Court appointed Attorney tell me he would take my Criminal Court Case knowing that he could Not, due it being a Conflict of Interest and or Should have known he could not. Now, take this all so far and think How You'd All Feel)?... (How You would act/react, what would You do)?

On 11/2/2017 at this court hearing had set another Court Date and for the Date of Nov./9<sup>th</sup>/2017 in Criminal Court DIV. 13 and for to give me an Attorney for this Case.

Well, at this point I turn to my 7 and Speak up and out to the Media/News Cameras →

→ again and this time, I speak Louder and with a Firm Clear (Not out of Control and Not Incompetent) Voice, And with words of A person of great intellectual ability.  
(As I always have, and as I always will.)

So, Court Date changed without my knowledge and without any legal documents given to me, From Court Date that was scheduled for the Date of Nov/9/2017 to the Date of Nov/8<sup>th</sup>/2017 (or Vice Versa)... Either way,

I met My New/My Court appointed Attorney and this was Attorney Courtney T. Henderson and His partner Attorney/Judge Jason Billiam on one or Both of these Dates.

And I was told by Attorney Courtney T. Henderson that he wanted me to give him all My Juvenile Court papers even though he is not suppose to have them legally he want's me to give him and His partner all my Juvenile Court DIV. 10 paperwork and they will help me get My Children back and get me back with My Children, so for me to give them all the Court paperwork for My Juvenile Court Case which has Nothing to do with them or My Criminal Case and asked me to give him and his partner My Juvenile Court Attorney's Name;

Attorney Courtney T. Henderson kept fidgeting and acting real nervous around the Sheriff Deputies and he kept telling me to be aware of the Body-Cam's →

→ of these Sheriff Deputies and a Few Times Attorney Courtney T. Henderson had gotten up from his seat and to whisper into my ear to let me know he/himself Courtney T. Henderson does not like Cops and or any Authorities and he rather we talk in private, Etc.

I replied to this Attorney Courtney T. Henderson and told him each Time that I don't Care about the Police, Sheriff Deputies, or any Authority Hearing what I am saying Nor if they are recording; I told the Attorney Courtney T. Henderson that I personally am Not a Criminal and I have Nothing to hide, and if he/himself or His Partner have to hide things from the cops, Police, Authorities, Sheriff Deputies, Etc. then You're Obviously on the wrong side and Not the right Attorney's for Me. (And this just keeps Going, so I'll Leave the rest for the Lawsuit). I just want You all to know some of what has been going on; Well I want You to know it all, Yet I understand we have a time Frame, Etc.

I was visited by Attorney/Judge Jason Billam on Nov. 17/2017 around 10:30 AM and I asked the Attorney/Judge Jason Billam what he/himself and his partner Attorney Courtney T. Henderson Are doing to get Me out of Jail? And Not one reply from Mr. Billam except him asking me for more Information, asking me Questions; I said again "What are You and Your partner doing to get Me released from Jail? → Question, just again kept asking Me like a Damn Interrogation and Question. I've already told him and his partner Attorney Courtney T. Henderson; And So I replied Firmly "look buddy, You need to Get me released and let me know what You and Your partner Attorney Courtney T. Henderson plane on doing to get me released;

And this is when Attorney/Judge Jason Billam had Threatened me and said "Don't You Ever Talk To Me like That and Don't You Ever Tell Me What to do, and if You do, You better remember that I am not the one to Fuck with and You don't realize who Your Messing with," And I'll Make You Pay."

I replied, but I don't mean any disrespect by it, I was just saying if You are my Attorney then You should be working on getting me out of here right? And So Chill buddy and Truthfully I don't Care who you are or who You know; And if Your not here to fight for me then You Attorney/Judge Jason Billam and your Partner Courtney T. Henderson need to get off my Case Now! And at once; Etc.

And I walked out and Told Every Sheriff Deputy on Recorded Body-Cam, what just happened.

And I called Home to Flagstaff, AZ. and told Derek Swire,

Then Attorney Courtney T. Henderson Came to visit me on Nov/20<sup>th</sup>/2017 at 10:15 AM and this visit was when all Hell broke loose;

III CASE History III

→ This was when Attorney Courtney T. Henderson had Threatened My Life and My Children's Lives if I do Not Shut up about the Illegalities going on here in Johnson County, Kansas Courts And Authorities, Etc.

And if I don't shut up about the Illegalities going on here in Johnson County, Kansas what he would have done to my children and what he would have done to me and show me what Johnson County, Kansas Authorities are all about and How things are Run around Here in Johnson County, Kansas, have Me Tortured and even beat real bad, Etc.

I won't go into too much detail, Yet I'm Sure You get my point; And then right after I reported this to the Sheriff's Office and made a Legal Report, and Literally told and asked for help to secure my children due this Attorney Courtney T. Henderson's Criminal Threats to bodily harm to my children and to myself, Etc.

Within Two Days Tony Rizzo from the K.C. Star Newspaper had placed an article in the K.C. Star Newspaper about My Attorney who was one of the Court Appointed Attorneys who Threatened Me and that I reported to the Law Enforcement / Sheriff's Department.

And The Newspaper article said that this Court Appointed Attorney Courtney T. Henderson filed for a motion for me to go to get a Mental Evaluation on My Competence to Stand Trial and also Mentioned Two <sup>Other</sup> State Warrants, Etc. →

Room/Day Room Camera's, A Johnson County, Kansas Mental Health Psychologist Named Todd Schemmel had come to do my Competency Evaluation and had Lied on my being Competent and all due his personal Hate and Lack of understanding on How a person could Dismember a Dead Corpse, Etc. Yet Not at all what Legally he is suppose to deem/judge people by/on; This Lying Snake of an Authority, Quack Todd Schemmel made up a Lie to get me in Jail Longer, Etc., to get me tested by Doctor's, Psychologist's, Etc. Against my will and my Rights Under U.S. Constitutional Health Choice, Religious Belief's, Etc.

And So, I was waiting for a bed Space in Larned State Hospital to go get tested/Mental Evaluation and Competency Evaluation And for No Legal Reasoning, Except the Lies and personal Hate and perception from Some Illegal doing Quack Todd Schemmel and a personal friend of Attorney Courtney T. Obeying the Law and our Constitutional Rights
